## **Safeguarding Statement**

Please be aware that our school is committed to safeguarding and promoting the welfare of our pupils and expects all staff, pupils and visitors to share this commitment.

In cases where the school has reason to be concerned that a child may be subject to ill-treatment, neglect or other forms of abuse, staff have no alternative but to follow Safeguarding procedures and inform Careline Children's Services of their concerns.

Parents will not always be fully informed of concerns, unless staff are certain that the safety of the child will not be prejudiced by doing so.
